Good Evening Mary,

Reaching out to see if Judith might have any new information in light of the news coming out tonight:

<http://www.nbcnews.com/news/us-news/toxic-substance-used-virgin-islands-complex-where-family-fell-ill-n337911>

If so—would she be available to join CNN again tomorrow (Thursday) LIVE in the 11a ET hour.

Many, many thanks~  
Marie

We may hit with Mary at about 11:45a—so it would be great for her to arrive by 11:15a.

Is that ok?

She should arrive here at 1 Time Warner Center (W. 58<sup>th</sup> Street between 8<sup>th</sup> and 9<sup>th</sup>) by about 11:15a—11:20a.

The hit time is at approx. 11:50a.

Judith should walk over to the security desk-- which is right there at the entrance-- and give her name. She'll then be sent to the 5<sup>th</sup> floor where one of our guest greeters will escort her to make-up and then our set.

Thank you again!!!

Elias is out today. Judith Enck can do the interview. She is our Regional Administrator. What time does she need to be there and where exactly should she

go/who should she ask for?

Good Morning Elias and Mary,

Just circling back in true hopes of making this work today with CNN's Kate Bolduan. We are planning on having the discussion at about 11:50a ET today—from either a studio or via Skype.

You can easily connect with me either here on email or at 917-751-5728 to let us know if we can make it work.

With My Thanks,

Marie

Good afternoon Elias,

I'm a guest producer for CNN reaching out on behalf of CNN's At This Hour w/Berman & Bolduan.

CNN would like the opportunity to interview you regarding the Esmond family becoming sick, perhaps from pesticide exposure during a trip to a resort in the U.S. Virgin Islands.

Are you available to join CNN tomorrow, Monday April 6<sup>th</sup>? This would be live interview, on camera & in studio, for about 5-6 minutes in the 11:00A et hour.

Please feel free to contact me via email or at (404) 827-3804 to let me know.

Thank you for your time; I hope we can make something work.
